LANGUAGE GAMES

数字游戏

Shùzì yóuxì

Playing with Numbers

HSK 1

Learn Chinese numbers from 1 to 100 with this amusing game. The cards are specially designed to help memorise the numbers. The Instruction booklet contains suggestions for a range of exercises and activities, and fascinating facts about numbers in China.

Content:

- 2 packs of 50 cards
- 36 individual cards
- Instruction booklet

动-名词游戏

Dòng-míng cí yóuxì

The Game of Verbs-Nouns

HSK 2

Beautifully illustrated playing cards help memorise common Chinese verbs and nouns. Any single verb can only be matched to one noun! But don't worry, the card pictures will help you find the right solution! The Instruction booklet provides ideas for fun games to play with friends, and the full list of verbs and nouns featured.

Content:

- 2 packs of 66 cards (66 verbs and 66 nouns)
- Instruction booklet

猜猜做什么职业

Cāicāi zuò shénme zhíyè

Guess the Job

HSK 2-3

With this entertaining and original game students will learn all about 40 different jobs. Three colourful packs of cards provide an illustration of the job, its name or its description, respectively. The comprehensive Instruction booklet contains suggestions for varied language activities, games and exercises.

Content:

- 3 packs of 44 cards (including 12 cards with answer keys)
- Instruction booklet

语言游戏

问-答游戏

Wèn-dá yóuxì

Questions and Answers

HSK 3

Enjoy learning basic and useful structures in Chinese by matching questions and answers. Two packs of colourful, interesting cards help students practise simple sentences that are used in everyday life. The game is ideal for use both at home and in class.

A complete Instruction booklet with further suggestions for language activities and exercises is included.

Content:

- 2 packs of 60 cards
- Instruction booklet

中国游

Zhōngguó yóu

Travelling in China

HSK 3

With this exciting game students of Chinese will have the chance to embark on a fascinating discovery trip of China and its many provinces, while broadening their language competences. Learning goals: vocabulary (numbers, nouns, verbs, frequent adjectives, classifiers) and general cultural knowledge of this great country.

Content:

- A 6-sided dice with differently coloured faces (yellow, blue, orange, purple, red, green)
- A 6-sided numbered dice
- A colourful board game - map of China, with 140 numbered stops and 33 pictures
- 132 cards, subdivided into 6 differently coloured packs
- Instruction booklet

GRADED READERS

Cristina Zhao - Micol Biondi

北京欢迎你

Běi jīng huān yíng nǐ

Welcome to Beijing

HSK 1-2 - 200 Words

64 Pages + Audio CD

Beijing is a great metropolis, where modernity and tradition meet and “clash” in a dynamic and intense union. With this book you will explore both the expressions of the millennial Chinese culture and the futuristic artery roads of the “Capital city of the North” city. Come and discover Beijing’s most fascinating locations, and let yourself be amazed by its secrets!

The book offers:

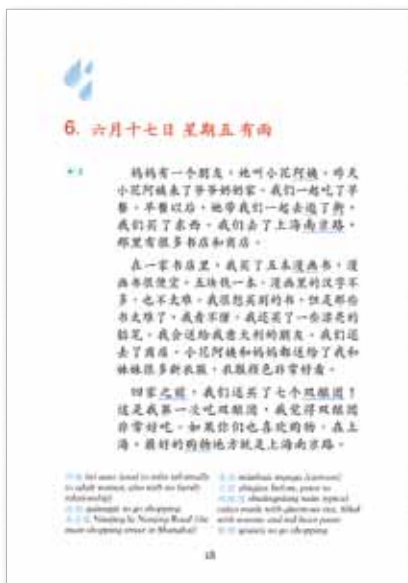

- Grammar structures and vocabulary in accordance with the HSK 1-2 standards
- Glossary with pronunciation and English translation
- Text without *Pinyin*, to promote authentic reading
- Splendid pictures, capturing the beauty and vitality of Beijing
- An audio CD with the complete reading of the text

汉语阅读大全

Wong Hocheng - Micol Biondi

我在中国的暑假

Wǒ zài zhōng guó de shǔ jià

My Summer in China

HSK 2 - 400 Words

64 Pages + Audio CD

Xinxin is a Chinese girl who lives in Italy. When the school year ends she travels to Shanghai to spend the summer holidays with her paternal grandparents. Torn between two cultures, every day Xinxin observes, listens, "tastes" and explores a world that she only partially understands. This unforgettable summer in China will let Xinxin rediscover in amazement her country of origin.

The book offers:

- Grammar structures and vocabulary in accordance with the HSK 2 standards
- Glossary with pronunciation and English translation
- Text without Pinyin, to promote authentic reading
- Fact-files with further information about aspects of Chinese culture
- Splendid pictures, capturing the beauty and vitality of Beijing
- An audio CD with the complete reading of the text, available in two different speeds
